

Thurs May 17, 2018 6pm

Present:

Leif Carlson
Adrienne King
Art McBain
Brendan Quinn
Sara Quinn
Eric Steinbrenner

Nik Rex also attended. He was directed to attend due to his wish to make himself useful to the group.

Old business:

Minutes read and approved.

Brendan gave a business license update. Pasco is holding up the process, although the home inspection was done weeks ago. Brendan asked if Sara could text the inspector directly to see what's happening, and Sara agreed.

We all discussed various options for banks, and Leif said he would check into Numerica and/or Gesa.

Adrienne agreed to also pitch in for the initial \$450 cost of licensing.

We talked about ITTD; we all feel that the event was successful.

Regarding conFUSEcon:

We have a contingency plan of using the library the following weekend rather than the one planned. The library will give us a discounted price of \$300 for the weekend, hours TBD.

Adrienne is talking to people about venues that we could get for cheap/free. She will contact the Red Lion and Terry. She'll be getting back to us this weekend.

We're still looking at Pasco Red Lion as a possibility.

We need about 3000 square feet or more of space for the event.

Brendan will ask the Richland Community Center to see if they will extend their hours.

Eric fixed up the website. Nik will put the Twitter and Instagram feeds on there, and we'll use Stripe to take money on the website.

We talked about setting up a Square account for TAG to take money at the door.

Leif suggested that if we don't have a bank account by the end of next week, we'll figure out a contingency.

Brendan will call the city and the state to see what's holding up the license.

New business:

Visit Tri-Cities is also promoting STEM activities. We can put together a STEM wishlist for them.

Brendan and Adrienne did the GM workshop, and it went well. They want to do it again next month. They want to do more advertising but will continue to do it every 3rd Tuesday at AU.

Nik Rex is joining the media committee. Sara will schedule a committee meeting with Nik, Mary, and Brendan.

Leif made a Discord for TAG. Leif will post links on FB and the website.

Brendan talked about Cribbage in a Cafe... a takeover once per month. Brendan will take on finding cribbage people and scheduling it.

Adrienne will make a PowerPoint about TAG and how Rotary and other orgs (like Junior Achievement and the STEM Foundation) can help. She will send a draft by the end of the weekend.

Sara will email Brian at Boys & Girls Club to see if they want to do a game day, and to let them know that we could possibly raise money for them in the future. Brendan will get in touch with My Friend's Place (possibly via Jordan) for the same reason.

Meeting was adjourned with a game of Pairs.
