3 items added to new business, 1 item added to old business

Meeting on June 1st at RPL 2-4 rm A (Brendan will advertise)

He'll also go over the bylaws to see about terms, etc.

We talked about having ITTD at CBC, and it all sounded very positive. We talked about the possibility of having conFUSEcon there, and it sounds like that may be a good option.

Visit Tri-Cities wants to know what our determination is for conFUSEcon venue, so we need to lock it down with CBC soon. Sara will email them again tomorrow.

We should offer reduced rates to CBC students.

Brendan talked about his meeting with Luke Hollowell of B&G Clubs. He gave them a list of good boardgames to buy, and we may have some events there in the future.

Library curation: Brendan is still trying to connect with someone at the libraries to see if we can get them to carry boardgames.

Raffle: we need to decide what we're giving away before Sara can design raffle tickets. We can sell raffle tickets at various events. Then we can draw at one of the Thursday events, if AU is cool (if not, we can use the Makerspace). We may even be able to leave the prizes here in case the winner isn't present during the drawing. Fixed item drawings. We'll give away Mars Open (multiple copies), Welcome To, and 40 Thieves. We are thinking of charging \$5.00 per ticket. Let's try to have the cards by June 1st.

Stamp card: Art showed us the stamps. Rachel is going to send Art a wing for the lady's night, and he's waiting for the TAG'd group to get him a stamp design. Brendan has designed the stamp card. Cards will be punched after they get turned in. 3 different events, filled card, gets you an enamel pin, patches, or something similar.

Leif is going to come up with a list of games for younger kids.

Brendan and Sara will get a fundraiser going for games for younger kids, which we can use to buy some of these games for the Homelink May 10th event.

Spanish: BBG has a list of games with little language dependence (like Code Names pictures) that could be used. We should all look through our collections for these games, and send them to Sara.

Vidstream: Look at Starlit Citadel for inspiration. We'll look for games that haven't been overdone. Sam will get in touch with Brendan and Sara.

Brendan will email Raquel to see what times she wants TAG here for Mom and Pop day and let Adrienne (and everyone) know.

Adrienne won't ask Rotary for money until we know for sure if we're using CBC as a venue.

Let's make conFUSEcon stuff as soon as we know for sure about CBC. We'll get Leif posters for Gamestorm if we can get it in time. We also need some for Wagoncon and Chupacabracon.

Eric wrote up a full report about RadCon:

<https://drive.google.com/file/d/1jR-1Do1DEGUEC3T5ZUy5wfCdhKIT-zvA/view?usp=sharing>

We will all read it and use it to inform our setup for next year's RadCon.

Adjourned with a game of Tsuru.
